## School overview

Brighton State School offers a wonderful start for your child's learning. Developing a love of learning, celebrating success and establishing the building blocks for future learning are the core elements of a quality Prep to Six curriculum. Brighton State School is a more than 100 year old school with a strong tradition that is equally matched with a lively, innovative, engaging and forward looking focus. Our moral imperative is to ensure that every student is achieving and progressing and that every child is really known. We work collaboratively with our community aiming to have every child excited to come to school, having many friends and happy.

Brighton State School is a great school moving to greater. Together we continue to build a school based on positive values and attitudes preparing our students today for a successful life tomorrow.

Brighton State School's daily work involves creating a respectful, responsible and safe community of engaged and excited learners striving for personal best. To realise our goal, our curriculum and learning is underpinned and invested in the employment of best practice pedagogies. We seek to engage students in the kinds of learning opportunities appropriate for them as life-long learners and world citizens in an increasingly global and networked society.

Reading and Writing, Student and Staff Well Being and a Positive School Environment are the 'main game' at Brighton State School.

It is over one hundred years since the Brighton State School opened its doors to 43 students and 2 staff and I feel extremely proud and somewhat honoured to be the current school principal.

For current students my wish is that their memories of Brighton State School will be happy ones and that many of the friendships that they have made whilst they were at school are lifelong. My wish is that we have given all students the best start possible in their educational life. My wish is that Brighton State School has contributed to a society of honest, positive, independent, relational, hardworking and empathetic members.

Our enormous respect for the past provides the foundation for continued success as we embark on the next 100 years. Brighton State School is a 'great school' moving to 'greater' - 'Only The Best'.

## Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

### School disciplinary absences

**Table 6: Count of school disciplinary absences at this school**

Type of school disciplinary absence	2020	2021	2022
Short suspension	3	6	12
Long suspension	0	0	0
Exclusion	0	0	0
Total	3	6	12

#### Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to other years.
